

California MUTCD Training

Caltrans D5 Office – Manzanita Room
1150 Laurel Lane, San Luis Obispo, CA 93401

November 15, 2007 - Thursday
8:00 AM to 5:00 PM

Instructors: Johnny Bhullar & Gordon Wang, Caltrans HQ Traffic Operations

To register (& location info), contact: Louetta.Lee@dot.ca.gov
(Class is limited to Caltrans District 5 Staff only)

Topics Include:

- California MUTCD Introduction
- Part 1 – General and Basic Concepts
- Parts 2, 3 & 4 (Signs, Markings & Traffic Signals)
- Parts 6 & 7 (Traffic Control in Work Zones & School Areas)
- Older Driver & Pedestrian Issues

For course content questions, contact: mutcdsupp@dot.ca.gov

NOTE: *This class will cover most of the major topics, as outlined above. Traffic controls for bicycle facilities or in the railroad and light rail transit environments are the only topics that will not be covered.*

Description:

This class will familiarize participants with the new format, applicability and compliance aspects of the California MUTCD. The class will also expose attendees to new policies and changes that became official on September 26, 2006. It will emphasize application areas of the California MUTCD that often pose difficulties or have significant professional differences and also where California practice differs substantially from Federal practices.

Some recently adopted policies per CHP's Older Californian Traffic Safety Task Force related to older drivers and pedestrians will be highlighted. The class will cover some fundamental and key concepts of most of the individual parts of the California MUTCD to encourage their use generally as a good practice.
